Love Comes Belo

Music:Hirotsugu KOITA-bashi

Lyrics:George Cockle

(Verse 1)

Love
Comes down below
From the heavens up above
愛は天国から降りてくる

When you have found yourself with lonely nights
寂しい夜を過ごすとき

When you are lost along the way
自分が歩く道に迷ったときに

Love
Comes down below
From the heavens up above
愛は天国から降りてくる

To light up our lives on the darkest nights
一番暗い夜に光を与えてくれる

When we are lost along our way
私達が歩く道に迷ったときに

(Chorus)

Gives us hope
希望をくれる

A way to cope
対処する道を

So we can forget how to
Hurt each other
お互いに傷つけ方を忘れるように

Gives us hope
希望をくれる

Takes away all
Sadness, anger
悲しみと怒りと寂しいハートビートを拭い去ってくれる

Lonely heartbeats

Love
Comes down below
From the heavens up above
愛は天国から降りてくる
Find yourself this love
Find yourself this love
自分のためにこの愛を見つけなさい
Love comes down to heal the world
ラブはこの世を癒してくれる

(Verse 1-2)

Love
Comes down below
From the heavens up above
愛は天国から降りてくる
When hatred and pain is all we see
憎しみと苦しみしか見えないとき
When we are lost along our way
私達が歩く道に迷ったときに

Love
Comes down below
From the heavens up above
愛は天国から降りてくる
When understanding is all we need
理解だけが必要なとき
When the whole world has lost its way
世界が歩く道に迷ったときに

(Chorus)

Gives us hope
A way to cope
So we can forget how to
Hurt each other
Gives us hope
Takes away all
Sadness, anger

Lonely heartbeats
