

Admiration for Mokupuni Style / Hoopers

Mexico

Music:Paniolo Yamauchi

Lyrics:George Cockle

Lock the door
And kick the gate
And give the cat away
Gas the car
And check the map
And I'll be on my way

Down to Baja
California
Spending time in Mexico

Got the wax
And got the board
And leave the suit behind
Got no girl
And got no plans
And I'll just spend some time

Down in Baja
California
Surf it out in Mexico

Margarita, senorita
Dos cervesa por favor
Guacamole, jalapeno
Dos cervesa por favor

Life in the sun
Will be fun
Have my stash
A bag of cash
For to spend
Spend it all in Mexico

Sunny days
And endless waves
And ladies on the beach
Palm roof shacks

And ice cold beers
And barmen who don't preach

Down in Baja
California
Living real in Mexico

Summer's gone
And stash is gone
And best be on my way
Gas the car
And check the map
And I best leave today

Out of Baja
California
Leaving life in Mexico

Margarita, senorita
Dos cerveza por favor
Guacamole, jalapeno
Dos cerveza por favor

Life in the sun
It was fun
Had my stash
A bag of cash
For to use
Used it all in Mexico

Margarita, senorita
Dos cerveza por favor
Guacamole, jalapeno
Dos cerveza por favor

Life in the sun
It was fun
Had my stash
A bag of cash
For to use
Used it all in Mexico
