

Hail Up / Maacho

**Winston O'Reilly**

Music: Esidon

Lyrics: George Cockle / Mark Cass

Winston O'Reilly  
Came to the islands  
When a warm wind washed his sailors life ashore  
Met a lady  
Hawaiian Beauty  
And from that union I was born

Winston O'Reilly  
Came to the islands  
Said his last goodbyes to the life that he had known  
Happy endings  
New beginnings  
Dropped his anchor he was home

I feel the blood in my veins  
Mixing the river and the sea  
Told my brothers  
Told my sisters  
We'll show the world true harmony

Back in Makaha  
Making a luau  
Matsuoka, Lee, Kealoha, Di Miello  
Neighbors singing Hawaiian love songs  
Along the red dirt road at home

Winston O'Reilly  
Came to the islands  
When he died he didn't leave me alone  
Feel his spirit  
Any moment  
That the summer trade winds blow  
I feel the blood in my veins  
Mixing the river and the sea  
Told my brothers  
Told my sisters  
We'll show the world true harmony
